Administration Update

1. Virtual Learning

- Teachers are expected to make two-way communication a minimum of once a week
- Parents will need to show acknowledgement of receipt of messages
- Teachers may log attempts at two-way communication
- Teachers are not to present new content
- Chromebook deployment for primary grades will take place
- As of right now, students are scheduled to keep Chromebooks through summer

2. Budget

- Reported Budget Allocations documents provided to show strategic budget for staffing, materials, etc.
- Reorganization allows for provision of certain services if schools could benefit from them such as ELL Tester, custodial staff, etc.
- Spreadsheets show where money is coming from for budget
- Likely that there will be budget cuts next year given the closure
- Attrition money might be available but we are not sure at the moment
- Hoping to be able to use carryover money
- Will discuss steps to cut costs and keep teachers in classroom as necessary
